## Foreword

23rd July 2018

Over the past few months, thrust of the Ministry of Railways has been on empowering the frontline officials with adequate administrative and financial powers, providing greater autonomy, introducing reforms and simplifying the work processes so as to improve deliverance and service to our clients. Model SOP with enhanced delegations brought out in October 2017 was a step in this direction and symbolic of the change that all of us wish to usher.

I am happy that now a revised version of Model SOP 2018 incorporating the enhancements in delegations made recently and lessons learnt, has been brought out by Transformation Cell in a short time span.

I would like to emphasize that since Railways is a mammoth organization with different zones and divisions having their own unique requirements, so one centralized SOP document cannot address all the requirements of all the units. One size cannot fit all. However, a Model document like this will serve as a benchmark to be followed uniformly across units, suitably supplemented by additional delegations which may be introduced by the GMs in consultation with their PFAs as per specific local requirements in accordance with Government of India rules.

Needless to add that authority in its wake brings accountability, and a dim view would therefore be taken of any misuse thereof.

I hope these delegations would further enable the field officials to improve deliverance and service to our customers.

3. In case an increase in quantity of an individual item by more than 25% of the agreement quantity is considered unavoidable, the same shall be got executed by floating a fresh tender. If floating a fresh tender for operating that item is considered not practicable, quantity of that item may be operated in excess of 125% of the agreement quantity (100% i.e., the original quantity + 25% i.e., quantity over and above the original quantity) subject to the followingconditions:
   *a.* Since there is an in-built rate reduction Clause of 2% & 4% for variation between 125% & 140% & between 140% and 150% respectively on the accepted rates it will only require the prior approval of the Tender Accepting Authority (TAA) who is an officer not below the rank of JAG without finance concurrence subject to other conditions mentioned in Clause 42(4) of GCC2014.
   b. However, a Supplementary Agreement/Addendum to original Agreement should be drawn subsequent to sanction of the variation by an officer not below the rank of JAG, which needs to be vetted by Associate Finance.

6. Execution of quantities beyond 150% of the overall agreement value should not be permitted and, if found necessary, should **ordinarily** be only through fresh tenders or by negotiating with the existing contractor, with personal concurrence of **FA&CAO(C)** and personal sanction of GeneralManager.

9. As far as SSR/SOR items are concerned, the limit of 25% would apply to the value of SSR/SOR schedule as a whole and not on individual SSR/SOR items. However, in case of NS items, the limit of 25% would apply on the individual items irrespective of the manner of quoting the rate (single percentage rate or individual itemrate).
10. For tenders accepted by Board Members and Railway Ministers, variations up to 110% of the original agreement value may be accepted byGeneral Manager.
11. The aspect of Vitiation if any, shall be governed as per Railway Board's Transformation Cell Letter no 2017/Trans 01/policy dated08.02.2018.
12. In zonal contracts, the variation in the contract should not exceed 25% of the contractvalue
13. Overall agreemental Value, arrived at by adding the positive variation and subtracting the negative variation from the accepted value of the contract, shall be taken for deciding the competency of sanction. (Authority: RB Ltr no 2017/Trans/01/Policy dated27-03-2018)

(a) Extension of delivery date under item 5(c) may be granted provided that the contract was not accepted against other lower tenders in consideration of the date of delivery and that the delay will not cause loss or damage. A certificate to this effect to be obtained from the indenting officer in case of special purchases. In case any or both of this condition are not satisfied, Finance should be consulted and legal advice, if necessary, taken (Para S-445). However, in contracts valued up to Rs. 1 Lakh not having time preference clause or pre-estimated damages, subject to purchase officers certifying the delay is on account of shortage of raw material, fuel, or power or on account of steep rise in prices of industrial inputs and the supplies are expected within a reasonable time, these powers may be exercised to extend the delivery date up to a maximum of 6 months without liquidated damages. No Finance concurrence or certificate from indenting officer isnecessary.<br>(b) In respect of tenders accepted by Railway Board or General Manager, the PCMM (Coordinating HOD) would be the Competent Authority to grant extension in delivery period where the contractor fails to deliver the stores within stipulated period. In the case of orders valued over Rs.8 Lakhs for non-safety items and Rs.15 Lakhs for safety items-if the proposed extension to delivery date has the effect of shifting the booked liability to a subsequent year, it should be seen that entry is made accordingly in the Funds Register of the Accounts office and in the computerized liability register even at the stage of provisional extension. PCMM/C.M.M. may grant extension under item 5(d) in respect of purchases made under the powers of GM/AGM subject to the Indenting Officer's certificate being obtained that no loss on account of late delivery would be sustained. The PCMM/CMM also has powers in such cases to impose or waive penalties with the concurrence of PFA (Authority: Board's letter No.71/RS(G)/775 dated17.9.71).<br>v. The liquidated damages leviable as per Indian Railway Standard (IRS) conditions of contract are at the rate of 2 % on the price of the stores (including taxes, duties, freight etc.) for each month or part thereof by which the delivery of stores has exceeded the period fixed for delivery in the contract, subject to a maximum of 10% of the value of the contract or otherwise specified in contract for purchase. According to the guiding principles laid down in Board's letter No.58/RS(G)/775 dated 19.5.67 the quantum of Liquidated Damages recoverable would be - (i) where the loss can be assessed - loss sustained due to delay in supply, subject to the maximum as per contract; (ii) where loss/inconvenience cannot be assessed - Token Liquidated Damages at 10% of the maximum permissible as per the contract; and (iii) if there has been neither loss nor inconvenience – Nil. Calculation of actual loss must consider increase in taxes, duties, freight etc.and also, higher price paid for earlier supply (in case where there is no provision for penal recoveries). If, besides actual loss, there is a component of loss that can not be assessed or inconvenience caused, Token Liquidated Damages may be levied in addition to the actual loss subject to the maximum as per the contract. (Authority: Board's letter No.58/775/RS(G) dated 4.5.60). Further, as per Board's letter No.2000/RS(G)/779/9 dt 04.03.2008, there should normally be no system of waival of liquidated damages and imposition of token liquidated damages for delayed supplies in supply contracts. System of waival of liquidated damages and imposition of token liquidated damages for delayed supplies in supply contracts will strictly be an exception rather than rule and only in situation where the circumstances leading to delays in supplies where beyond the control of thesupplier.<br>vi. While exercising the powers under item 5(f), a certificate should be recorded that the Railway has suffered no loss on account of the waiver. Finance concurrence is notnecessary.<br>vii. Under item 5(G) prior finance concurrence is necessary if the ground rent recovered exceedsRs.500/-.<br>ix Refund of Security Deposit and Deposit for value of raw materials issued for fabrication vide item 5(H) is subject to the condition that the contract is satisfactorily completed.<br>x. (a) Particulars of Arbitrator's awards accepted in terms of item 5(K) should be put up to GM in the form of a statement for each half year ending 30th September and 31s tMarch(Authority: Board's letter No.69/WI/CT/27 dated 20.12.69).<br>(b) Cases where the Arbitrator's award exceeds by more than Rs. 10 Lakhs of the amount considered due by the railway administration before the arbitration proceedings began, or where deficiencies in the general conditions of contract or of procedure laid down by the Railway Board came to light, such details should be reported to the Railway Board. (Authority: item 36(a) of GM's delegation Revision of Annexure-II to Chapter-V Indian Railway Financial Code, Vol. I (Board's letter No. F(X)II/97/PW/4 dt.16.9.97; F(X)II/2016/PW/3 dt.02.02.2017[Correction Slip No. 123 dt.28.02.2017]).<br>xi. Officers authorised by PHODs of user departments may be permitted to buy goods (Non stock items) available on GeM by placing direct on-line orders upto Rs 25000 in each case. This may be subject to annual ceiling of Rs 10 lakh per department per annum. The officers will have to certify as follows:

"I,...., am personally satisfied that these goods purchased are of the requisite quality and specification and have been purchased from a reliable supplier at a reasonable price."

Note - A demand for goods shall not be divided into small quantities to make piecemeal purchases to avoid procurement through L-1 Buying / bidding / reverse auction on GeM or the necessity of obtaining the sanction of higher authorities required with reference to the estimated value of the total demand.

**13. Procurement through Spot Purchase**

(Ref: Bd.'s letter no. 2002/RS(G)/779/12 dated 14-12-2011)
Model guidelines/ powers are recommended as below:

**13.1** There are occasions to purchase materials on the spot without following the formal tendering system but by calling offers through physical visit of the premises of the firm by the nominated officers. This mode of purchase is commonly known as '**Spot Purchase**'.

**13.2** Keeping the instructions contained in Rly. Bd's L.No.2002/RS(G)/779/12 dtd. 14/12/2011 in view, the following instructions / guidelines are issued in supersession of all earlier orders issued on this subject.

**13.3 <u>Conditions for resorting to Spot Purchase:</u>**

**13.3.1** The concept of Spot Purchase, for the purpose of purchase, will be followed in very exceptional circumstances and should be supported by proper justification. Invariably the need to resort to spot purchase shall fulfill conditions as laid down under para (a) or (b) below:

**(a) <u>Stock Item:</u>**

The stock item should be purchased only when the material is out of stock which is affecting train operations/earning of railways and supply against the existing covered dues if any, is likely to take more time and requirement is very urgent which cannot wait for the supplies to be received against the pending orders.

**"The certificate to this effect to be recorded by at least the concerned SAG officer of the concerned user department."**

**(b) <u>Non-stock item</u>:**

**(i)** For purchase of non-stock items where demand could not be foreseen in advance and material is required urgently for safe operation and where cash purchase powers are considered inadequate and emergency purchase through formal invitation of tenders etc., is likely to take considerable time.

Jitendra Kumar Sanjeeb Kumar

**(ii)** For purchasing of non-stock items which are required occasionally and making the detailed specification for the same is not considered practicable/economical or items of consumable nature where the quality available in the market is rapidly changing hence, it is not possible to finalize the specification and materials can be obtained by personal examination of feel, finish and appearance etc., like furniture, cutleries, linens, carpets and other furnishing items etc.

**13.3.2** However, Spot purchase shall not be resorted to, for purchasing such items which have got detailed specifications and drawings and are required to be purchased only from approved sources.

**13.4 Procedure for Spot Purchase**

**13.4.1** Since Spot Purchase is one of the modes of purchase, therefore, there should be a proper requisition for non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for stock items. The quantity is to be restricted to bare minimum. For stock items, demand may not exceed three months requirement and the same to be adjusted against the immediate ensuing demand.

**13.4.2** The proposal for Spot Purchase of 'Non-stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned consuming department after obtaining the concurrence of Associate finance.

The proposal for Spot Purchase of 'Stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned Purchase officer of Stores department after obtaining the concurrence of Associate finance.

**13.4.3 Authorities competent to approve Spot Purchase:**

(i) Items valuing upto Rs 15 lakh (for both Stock & Non-stock) will require the approval of the DRM/CWM.

(ii) Items valuing above Rs 15 lakh and upto Rs 25 lakh (for both Stock & Non-stock) will require the approval of the PCMM. The proposal shall be submitted through concerned PHOD.

(iii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

**(b) For HQRS & Construction Organization:**

(i) Items valuing upto Rs 25 lakh:

**For Non-stock items** : will require the approval of the PHOD of the consuming department.

**For Stock items** : will require the approval of the PCMM.

(ii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

**13.4.4** After the proposal has been approved by competent authority as mentioned above, proper file will be opened in convener's office against the requisition for Non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for Stock items.

**13.4.5** The Spot Purchase would invariably be made by a Spot Purchase Committee (as detailed in para 13.5.1 below) consisting of 03 officers, one from Stores Department (to be nominated by DRM/CWM/PCMM), one from Accounts deptt. (to be nominated by DRM/CWM/FA&CAO) and one from indenting department (to be nominated by concerned co-ordinating HOD/DRM/CWM). The Stores officer will act as the Convenor to the committee for Stock & Non-stock items.

Sanjeev Kumar

**13.5 Level of Committee:**

**13.5.1** The level of **Spot Purchase Committee** (SPC) will be as under:

| S N | Value of Purchase | Stores Deptt. | Indenting/Cons u-ming Deptt. | Account Deptt. |

(ii) The above composition of SPC will also be applicable for ZTCs and CTIs located within the jurisdiction of the Zone (e.g. for Central Railway, the procedure will be applicable to ZTS/BSL, IRICEN/PUNE & IREEN/NKRD).

In case of CTIs, the nomination will be done by respective directors & in case of other units, by concerned PHOD/CHOD officer of HQ.

**13.5.2** The Spot Purchase Committee will first make a market survey and then duly considering the sources indicated by the indenters, shall obtain quotations from suitable sources and while obtaining the quotations for items to their specification, normal rules laid down for obtaining the quotations (as in the case of cash purchase) will be followed. In conducting their business, the Committee shall give due regard to the Canons of Financial Propriety, while doing Spot Purchase.

**13.5.3** Inspection of materials, if required/called for, shall be done by Member of Indenting department or his authorized representative.

**13.5.4** The committee will draw proceedings duly covering all the aspects listed below:

i. Authority for constitution of the Spot Purchase Committee.
ii. Description of the item

vii. Consignee.
viii. Delivery terms & delivery period.

**13.5.5** The proceedings of the purchase finalized shall not require any further approval but this will be made available for internal check/audit and the minutes of the committee shall be kept on the file.

**13.5.6** All decision in the matter of purchase will be taken by the committee and the decision taken by the committee in regard to purchase will be final. However in case of dissent by any one of the members, the case should be put up to the officer nominating the SPC in case of Division/Workshop and to the concerned CMM (dealing the item) in Stores HQ for SPC of JAG/SG level and to PCMM for SPC comprising of SAG level, for final decision.

**13.5.7** Formal communication (in the form of PO or letter) detailing the description/specification of the item, terms & conditions, inspection clause, delivery period, payment terms & paying authority etc shall be issued, duly signed by the convener of SPC for placing order on the firm.

**13.5.8** Field Units i.e., Division/Workshops as well as HQRS & Construction organization shall maintain proper record of such Spot Purchase nominated by them.

Jitendra Singh  Sanjeev Kumar

**13.6 Payments:**

**13.6.1** Cash payment should be avoided, unless payment is made through cash imprest.

**13.6.2 Stock Items:** Payment to the suppliers may either be made in cash on the spot from cash imprest or through cheque to be issued by Accounts officer. In case of stock items, the cheque/cash payment may be made against a Pay order prepared by the Stores member of the Spot Purchase committee against a proforma invoice. Alternatively, normal payment terms through FA&CAO(S) may be followed depending upon the agreed terms & conditions.

**13.6.3 Non-stock items:** Payment to the suppliers may either be made in cash on the spot or through cheque to be issued by Accounts officer.
